Questionnaires had been returned by 5 families and these were reviewed by the Council. Youngsters said they would support a youth club in Witcham and were interested in a wide range of activities. Most indicated they would not use facilities in other villages.

The Council reviewed the options for provision of youth services for the youngsters of Witcham. (previous meetings with the County Council and Sutton Parish Council, and previously circulated correspondence refers).

After careful consideration Mr C Watson proposed the Council should support the services offered by Sutton Parish Council. As in previous years, the Council would make a contribution of £1000 for the ensuing year and be subject to review next year. Seconded by Mrs J Bibby and agreed unanimously.
