

Witcham's Parish Plan Consultations

The Parish Plan focus group is still meeting regularly, working towards producing a 5-year plan for Witcham early next year. Please call Darren Hill if you are willing to help with the process and would like to know when the next meeting is (tel 775413).

We heard from some of you at the Pea Shoot but in order to ensure every resident in the village can contribute to the plan we are putting together a questionnaire which will be circulated to every household.

In addition, we have received funding enabling us to hold two events to give young and old alike the chance to voice their ideas for the village's new 5-year plan.

"Coffee and Cake" Morning

A coffee and cake morning will be held for Witcham's residents on **Saturday 21st October** between 10:30 am to midday at the village hall. This will be a great opportunity to meet up with neighbours in the village. The Archive Group will also be present displaying some of their materials and will bring a scanner along so that any new material can be archived so please bring any of your old photographs of life in Witcham with you. All are welcome but we'd particularly like to see our older residents so why not ask your neighbours if they'd like to come along with you? Please call Steve Ball with any queries (tel 777701). If you are able to bring a cake for the cake stall that will also be very welcome.

Half-Term Sports/Activities Day

Calling all 9 to 15 year olds living in Witcham.....

A sports and activities day is being held at Witcham Village Hall during the half-term break. Come along to this free afternoon of activities on **Wednesday 25th October** from 12-4pm. There'll be crafts, games, circus skills training, music, tuck bar and outdoor sports (weather permitting). The event is being co-ordinated by Cambridgeshire County Council Youth Services. For more information please contact Vicki Bailey at the Witchford Youth Office, tel: 07984 038939 or e-mail: witchford_y.o@btconnect.com

Both events are free of charge and offer an opportunity to contribute towards the new Witcham Parish Plan. Funded through the Fens Leader+ Programme.
