

### **Parish Plan**

The Parish Plan Steering Group is taking shape with the appointment of a chair-person: Darren Hill, a relatively new resident in High Street. However, more help is still needed to ensure a successful new 5-year plan is put together for the village, representing the views of the whole community. The next meeting is on **Wednesday 5<sup>th</sup> July at 7:30 pm** in the village hall. It will only last 1 hour so please come along and get involved in planning your village's future. The steering group will also have a Parish Plan stall in the village hall during the Pea Shoot so why not drop by? If you can't attend either event and want to know more give Darren a call on 775413 or email him at [dazcat@tiscali.co.uk](mailto:dazcat@tiscali.co.uk).
