Disabled Children's Access to Childcare (DCATCH)

The Cambridgeshire County Council Disabled Children's Access to Childcare (DCATCH) project is aimed at supporting parents/carers of disabled children in accessing suitable childcare; enabling them the chance of returning to employment and/or training. It is part of the Cambridgeshire Childcare Information Service (CIS).

The aim of the project is to work closely with parents, childcare providers and professionals, embedding the principles of DCATCH; ensuring inclusion into early years and childcare settings for all. A referral service to parents shows where to go for support and guidance with their childcare options via the Childcare Brokerage Service.

Once a family is identified we can then, through the CIS Childcare Brokerage Service, enquire about suitable childcare. This will include information on provision of childcare from providers, funding options, costs, specialist care and specialist facilities, if required by the provider.

The DCATCH project provides a service to families, which is free of charge and completely impartial.

If you would like further information on DCATCH then please ring 0845 04 54 014 and ask for Denis Green or send an email to denis.green@opportunitylinks.co.uk

Alternatively check our website www.familiesandchildcare.org.uk and click on the DCATCH link.
