The Witcham Archive Group are now part of a new web-site for memories of Cambridgeshire Villages and their people.

You can find it at www.ccan.co.uk Please feel free to look at our village's area on the website and notify a member of the group to add or correct any of the content.

**Memories of Witcham
and its people**

The Group are keen to put on more records of the village; these could be recent or older photographs, written records, audio records or copies of printed material. (For example these records could be as varied as views of the village, weddings, events such as garden fetes, village hall events, pea-shooting, farming, transport or just people of the village.)

The group are particularly interested in fairly recent material – from the 1960's to 1990's.

If you think you have anything we can use please contact a member of the group; Diane Scotting (tel. Ely 778567, e-mail scottingdiane@aol.com) and Bill Perry (tel. Ely 778894, e-mail bill@fivepeas.freeserve.co.uk)

We would be willing to collect any material and return it after it has been scanned. Other members of the group to contact are George Hollis or John and June Wells. The group would be very grateful for the help of anyone else interested who would like to take an active part in contributing content or ideas to Witcham Village Archive.
